

**CALGARY SCIENCE SCHOOL
AGENDA FOR SCHOOL COUNCIL MEETING
March 04, 2009 @ 7:00 P.M. in the School Library**

VISION:

The Calgary Science School is an active learning community of 450-600 students and their teachers challenging and exceeding academic standards through hands-on inquiry into real and relevant problems and issues. Learning is enhanced through the integration of sciences, mathematics, technology, the humanities, the arts and physical education. The school shares its successful teaching and learning practices with other schools as well, as its well-prepared and equipped graduates move confidently into their high schools, post secondary institutions and career futures.
